Creating a Developmentally Appropriate Early Childhood Curriculum

EDUC 502

Instructor: Dr. David Brody

Classes begin September 8, 2008

3 credits

Registration Fee: \$25

Using curricular theory as a guide, students will design developmentally appropriate early childhood Jewish curriculum. Skills in planning and implementing curriculum are stressed. The holiday cycle is studied as a basis for integrating art, music, science, mathematics and language arts, as well as Jewish values, customs and symbols into the program.
